Education

PhD in Mathematics (2025–present)

University of Oklahoma, OK, United States.

MSc in Mathematics (2022–2024)

IISER Thiruvananthapuram, Kerala, India.

- Thesis: Frobenius Theorem.
- Advisor: [Prof. Sarbeswar Pal](#)

BSc in Physical Sciences (2019–2022)

University of Mysore, Karnataka, India.

Academic Experience

Graduate Teaching Assistant (2025–present)

Department of Mathematics, University of Oklahoma.

- Graded quizzes and assignments for:
 - ▶ Ordinary Differential Equations (2 sections), Fall 2025.
 - ▶ Discrete Mathematics (2 sections), Spring 2026.
 - ▶ Calculus IV (1 section), Spring 2026.

Mathematics Tutor (2025–present)

[Math Center](#), University of Oklahoma.

- Provide drop-in tutoring to undergraduate students across a range of mathematics courses.

Directed Reading Program (Spring 2026)

- Guided a freshman undergraduate through an independent reading of Introduction to Topology by Bert Mendelson.

Junior Research Fellow (2024–2025)

Department of Mathematics, IIT Gandhinagar.

- Studied foundations of Intersection Theory and Algebraic Geometry under the supervision of [Prof. Tanya Srivastava](#).

Conferences, Workshops & Schools

Texas Geometry and Topology Conference Texas Christian University, Fort Worth, TX, United States.	Spring 2026
VBAC 2026 Universidad Autónoma de Yucatán (UADY), Mérida, Mexico.	Spring 2026
Lean for the Curious Mathematician ICTS, Bangalore, India.	Spring 2025
Lie Groups and Representation Theory Workshop IISER Berhampur, India.	Winter 2024
Seminar Series on Invariant Theory IIT Gandhinagar, India.	Fall 2024
Annual Foundation School (AFS) II IISER Bhopal, India.	Summer 2024
Frontier Symposium in Mathematics IISER Thiruvananthapuram, India.	Winter 2023

Talks & Outreach

The Formalization of Mathematics: An Introduction to Lean 4 OU Math Fest, University of Oklahoma.	Spring 2026
How To Count What You Can't See? Norman Math Circle, University of Oklahoma. A mathematical outreach program for middle school students.	Spring 2026

Scholastic Achievements

CSIR NET/JRF Mathematics • AIR 77 (99.56%ile) in JRF list, Dec 2024; AIR 63 (98.97%ile) in JRF list, Dec 2023; AIR 31 (99.92%ile) in LS list, Jun 2023.	(2024, 2023)
GATE Mathematics • AIR 138 (98.97%ile) in 2024; AIR 328 (97.37%ile) in 2023.	(2024, 2023)
NBHM Scholarship • Selected for NBHM Doctoral Scholarship (not availed) and Master's Scholarship (availed).	(2023)

IIT JAM Mathematics

(2022)

- AIR 455 (96.42%ile).

Skills

Languages:

- English (Fluent), Kannada (Native), Tulu (Native), Hindi (Conversational).

Technical:

- Programming: Lean, Python, Lua, Javascript.
- Markup: Typst, LaTeX, HTML, Markdown.
- Other: Comfortable with Git version control, UNIX-like workflow, and Shell scripting.
